Re: Living into the Future Together

1. Recommended:

To receive with gratitude the report and recommendations of the Living into the Future Together (LIFT) task force in response to its call to “study the evolving societal and economic changes that have occurred in the twenty years since the formation of this church and to evaluate the organization, governance and interrelationships among this church’s expressions in the light of those changes”;

To recognize the vital input provided by ELCA members, congregations, synods and related agencies and institutions in the development of the report and recommendations;

To acknowledge with deep appreciation the work of the LIFT task force and its significant and comprehensive documentation in response to the questions that have guided their work: What is God calling this church to be and to do in the future? What changes are in order to help us respond most faithfully?; and

To anticipate joyful response by the 2011 ELCA Churchwide Assembly to the LIFT task force recommendations as this church and its various expressions participate in carrying out God’s mission in this changing world.

2. Recommended:

To thank the Living into the Future Together (LIFT) task force and the Planning and Evaluation Committee for their work on the report and recommendations of the task force;

To refer the work of finalizing recommendations in the LIFT report and the development of proposed implementing resolutions for the task force’s report and recommendations to a writing team consisting of members of the Office of the Presiding Bishop, the Office of the Secretary, the Planning and Evaluation Committee, and the LIFT task force; and

To anticipate an electronic meeting of the Church Council in May to consider the recommendations and proposed implementing resolutions.
